We all know Cinderella. She is a princess. She 1)... a beautiful dress with a shiny tiara, glass shoes, and long white gloves. She lives with a wicked stepmother and stepsisters, who treat her as their maid. * 1 point

- wears
- carries
- shows
- bears

With some help she meets and dances with a very 2)... prince * 1 point

- graceful
- pretty
- handsome
- gorgeous

then hurries home before the clock 3)... midnight * 1 point

- strikes
- collides
- knocks
- smacks

and her 4)... becomes a pumpkin again. * 1 point

- transit
- carriage
- transportation
- carrier

But that's not the real Cinderella. That's the Disney Cinderella, the one from the 1950 animated film and the new 5) ... in cinemas right now. * 1 point

- reshape
- remodel
- redo
- remake

The real Cinderella isn't so easy to describe. She is a 6)... who mixes together centuries of storytelling from many different cultures. In total, more than 500 versions of the Cinderella story have been found in Europe alone, and the Cinderella we know best came from there. * 1 point

- quality
- nature
- complex
- character

However, the first recorded story with a Cinderella-like figure 7) ... back to the sixth century BC in Greece. * 1 point

- determines
- registers
- dates
- comes

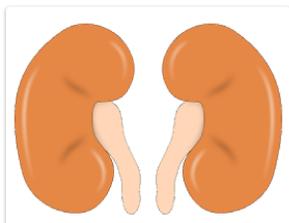

In that ancient story, a Greek woman named Rhodopis has one of her shoes * 1 point stolen by an eagle, who flies it all the way across the Mediterranean and drops it in the 8) ... of an Egyptian king.

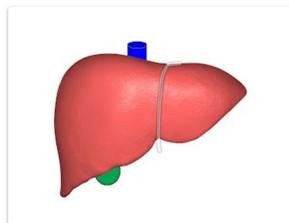

lap

waist

kidney

liver

Taking the shoe drop as a 9)... from the heavens (both literally and metaphorically), * 1 point

- flag
- sign
- bell
- note

the king goes on a mission to find the 10)... of the shoe. When he finds Rhodopis, he marries her, lifting her from her low status to the throne. * 1 point

- keeper
- owner
